

MAX RADY COLLEGE OF MEDICINE

Programs

Degree/Diploma	Years to Completion	Total Credit Hours	Has Co-op Option
Biochemistry and Medical Genetics, M.Sc. (https://catalog.umanitoba.ca/graduate-studies/health-sciences/medicine/biochemistry-medical-genetics-msc/)	2	11	
Biochemistry and Medical Genetics, Ph.D. (https://catalog.umanitoba.ca/graduate-studies/health-sciences/medicine/biochemistry-medical-genetics-phd/)	4	11	
Community Health Sciences, M.P.H. (https://catalog.umanitoba.ca/graduate-studies/health-sciences/medicine/community-health-sciences-mph/)	2	30	
Community Health Sciences, M.Sc. (https://catalog.umanitoba.ca/graduate-studies/health-sciences/medicine/community-health-sciences-msc/)	2-4	21	
Community Health Sciences, Ph.D. (https://catalog.umanitoba.ca/graduate-studies/health-sciences/medicine/community-health-sciences-phd/)	4-6	18-24	
Genetic Counselling, M.Sc. (https://catalog.umanitoba.ca/graduate-studies/health-sciences/medicine/genetic-counselling-msc/)	2	30	
Human Anatomy and Cell Science, M.Sc. (https://catalog.umanitoba.ca/graduate-studies/health-sciences/medicine/human-anatomy-cell-science-msc/)	2-3	9	
Human Anatomy and Cell Science, Ph.D. (https://catalog.umanitoba.ca/graduate-studies/health-sciences/medicine/human-anatomy-cell-science-phd/)	4-5	6	
Immunology, M.Sc. (https://catalog.umanitoba.ca/graduate-studies/health-sciences/medicine/immunology-msc/)	2-3	9	
Immunology, Ph.D. (https://catalog.umanitoba.ca/graduate-studies/health-sciences/medicine/immunology-phd/)	4-5	9,15,18	

Medical Microbiology & Infectious Diseases, M.Sc. (https://catalog.umanitoba.ca/graduate-studies/health-sciences/medicine/medical-microbiology-infectious-diseases-msc/)	2-3	12
Medical Microbiology and Infectious Diseases, Ph.D. (https://catalog.umanitoba.ca/graduate-studies/health-sciences/medicine/medical-microbiology-infectious-diseases-phd/)	5-6	6-12
Micro-Diploma in Applied Health Services Research (https://catalog.umanitoba.ca/graduate-studies/health-sciences/medicine/micro-diploma-applied-health-services-research/)	1	6
Micro-Diploma in Science Communication (https://catalog.umanitoba.ca/graduate-studies/health-sciences/medicine/micro-diploma-science-communication/)		6
Pathology, M.Sc. (https://catalog.umanitoba.ca/graduate-studies/health-sciences/medicine/pathology-msc/)	2-4	9-33.5
Pathology and Laboratory Medicine, Ph.D. (https://catalog.umanitoba.ca/graduate-studies/health-sciences/medicine/pathology-laboratory-medicine-phd/)	4	12
Pediatrics and Child Health, M.Sc. (https://catalog.umanitoba.ca/graduate-studies/health-sciences/medicine/pediatrics-child-health-msc/)	2	12
Pediatrics and Child Health, Ph.D. (https://catalog.umanitoba.ca/graduate-studies/health-sciences/medicine/pediatrics-child-health-phd/)	4	15
Pharmacology and Therapeutics, M.Sc. (https://catalog.umanitoba.ca/graduate-studies/health-sciences/medicine/pharmacology-therapeutics-msc/)	2-3	9-12
Pharmacology and Therapeutics, Ph.D. (https://catalog.umanitoba.ca/graduate-studies/health-sciences/medicine/pharmacology-therapeutics-phd/)	3-5	6-12
Physician Assistant Studies, M.P.A.S. (https://catalog.umanitoba.ca/graduate-studies/health-sciences/medicine/physician-assistant-studies-mpas/)	2-3	86

Physiology & Pathophysiology, M.Sc. 2 (https://catalog.umanitoba.ca/graduate-studies/health-sciences/medicine/physiology-pathophysiology-msc/)	9
Physiology & Pathophysiology, Ph.D. 4 (https://catalog.umanitoba.ca/graduate-studies/health-sciences/medicine/physiology-pathophysiology-phd/)	9
Surgery, M.Sc. (https://catalog.umanitoba.ca/graduate-studies/health-sciences/medicine/surgery-msc/)	12
