¹ For students admitted with BIOL 2410 and BIOL 2420, the additional 3 credit hours can be used toward the requirement for 9 credit hours of Science Electives for the requirement for 12 credit hours of Electives.

² Students must meet the University of Manitoba Written English and Mathematics requirements with a university-level course completed within the last 10 years, at the 1000 level (or higher), and with a minimum grade of C in each. It is strongly recommended that these courses be completed within the elective credits indicated above.

³ Any combination of the following courses/subjects for a total of 12 credit hours:

- Social Sciences or Humanities (6-12 cr)
- NURS 2610 or KIN 2610
- FMLY 2650 (or the former HMEC 2650)/REC 2650/SWRK 2650
- NURS 1500

⁴ NURS 4560
Preparation for Nursing Practice 7 must be completed in the term just prior to taking NURS 4580. Therefore, students who fail or withdraw from any of the following courses: NURS 4540; NURS 4550; or NURS 4580 must also repeat NURS 4560, even if it was successfully completed, in order that they are taking the course in the term just before NURS 4580.

5 NURS 4580

All other courses in the curriculum must be successfully completed and the grade posted prior to starting NURS 4580.

Any costs incurred in completing this course are the responsibility of the student. A student's chosen area for completion of practicum experience must be approved by the College of Nursing. The location of the practicum must meet the approval of the University of Manitoba. The location of the practicum is subject to change in the event approval is not received. There may be organizations which require contractual arrangements with the student and/or University of Manitoba prior to permitting the student to enter into the practicum experience. There is no guarantee the University of Manitoba will enter into such contractual arrangements to permit the student to carry out practice at a particular agency or site. In such cases, the student should be prepared to choose an alternate agency or site.

Reminder: It is the responsibility of the student to ensure that degree requirements are met. It is the responsibility of students to ensure all program requirements have been met before working as a graduate nurse and/or writing the NCLEX to become a Registered Nurse. In order to be eligible to work as a graduate nurse and/or write the NCLEX, students must meet all program requirements and requirements of the College of Registered Nurses of Manitoba.
