

# ASPER SCHOOL OF BUSINESS/RED RIVER COLLEGE POLYTECHNIC ARTICULATION AGREEMENT

## Degree Requirements

To be considered for admission, applicants must present a minimum grade of "C" in each Red River College Polytechnic course that is part of the required minimum of 42 transferable credits.

To be eligible for admission, applicants must achieve a minimum grade point average of 3.00 on their RRCP Business Administration Diploma and that GPA must be equal to or greater than the competitive GPA of those admitted to the Asper School of Business under Track 1.

Notes:

1. Red River College applicants are admitted solely based on their college coursework.
2. The maximum allowed external transfer, from all sources combined, is 60 credit hours. If the student has additional post-secondary work other than from Red River College, it will be assessed for potential transfer credit.
3. All applicants whose primary language is not English and who do not qualify for a waiver under the University of Manitoba's English language proficiency regulations will be required to demonstrate proficiency in English through one of the options listed at the University of Manitoba Admissions web site.
4. All program requirements are listed in the Faculty Requirements. The specific courses that must be completed after admission and transfer credit assignment will vary from student to student. Please see an Asper Program Advisor for individual advice in this regard.
5. Students admitted to the Asper School of Business prior to the current calendar year should refer to the archived Academic Calendar for the year in which they were admitted for a description of their program requirements.
