Degree Offered

The Bachelor of Social Work Program

The Faculty of Social Work Bachelor of Social Work (BSW) is a professional program that builds students' competence in integrating social work values, Indigenous Knowledges, theory, and practice towards just societies, connected communities and enhanced well-being. The

mission of the BSW degree program is preparing generalist social work professionals to engage in practices designed to transform unjust social arrangements, advance human and environmental rights, promote diversity and enhance well-being.

As a regulated profession, our BSW is accredited by the Canadian Association for Social Work Education (CASWE) and operates in accordance with CASWE's Code of Ethics. Our students take foundational and elective courses, and field placement practices to acquire the knowledge, theories, methods and demonstrated skills related to practice, research, and social policy analysis to work with individuals, families, groups, communities, and social institutions. Graduates of the program have competence for entry-level social work positions in a variety of different practice areas and they can register with the regulated provincial body of the Manitoba College of Social Workers to obtain designation as a "registered social worker".

The program is offered at multiple geographic sites including the Fort Garry Campus, the William Norrie Centre (Inner City Social Work site), and Thompson, Manitoba (Northern Social Work site) as well as by Distance Delivery.

The following is a summary of the admission requirements to the Bachelor of Social Work program. Equivalent academic courses completed at recognized universities elsewhere will be considered. All admission requirements, as well as application deadline dates and forms, are included in an applicant information bulletin that is available from Undergraduate Admissions (<https://umanitoba.ca/admissions/>), 424 University Centre; this information is also posted on the university's website (<https://umanitoba.ca/>).

Admission to the Fort Garry Social Work Site

Admission Requirements

Successful completion of 30 credit hours of university level coursework at the 1000 level or higher with minimum grades of 'C' including:

- WOMN course 1000 level or higher (3)
- INDG course 1000 level or higher (6)
- Any Social Sciences, Humanities, or Family Social Sciences course (PSYC, FMLY, SOC are recommended) (12)

Note: Students are encouraged to take courses designated by the Faculty of Arts (<https://catalog.umanitoba.ca/undergraduate-studies/arts/#facultyacademicregulationstext>) as Social Science, Humanities, and Indigenous (SS/H/I) courses for their Non-Social Work Electives.

The Written English and mathematics requirements are recommended to be completed as part of University 1. If these requirements are not met in University 1 (i.e. the first 30 credit hours), they must be completed within the first 60 credit hours of the programs. Refer to the General

Academic Regulations (<https://catalog.umanitoba.ca/undergraduate-studies/general-academic-regulations/#Residence-Written-English>) for a complete list of all courses which satisfy the university Written English and Mathematics requirement. Concentrated Program

All applicants wishing to complete the program in two years of full-time study must have completed a minimum of 48 credit hours of university study (which are acceptable to the University of Manitoba) prior to admission to the BSW program. Applicants wishing to complete the degree through the two-year concentrated program must have an Adjusted Grade Point Average of 3.00 from previous university study. In the event that three credit hours in each of Written English and Mathematics have not been completed as part of the 48 credit hours of previous university study, they must be completed within the first year of the two-year BSW program.

The deadline for submission of applications is March 1st (for the September start date).

The Selection Process

The selection process is designed to accomplish three objectives: to treat applicants fairly and equitably, to provide the diversity of practitioners required by the profession, and to provide for an efficient admissions process. The Faculty selects applicants to the BSW program at the Fort Garry campus through two categories as described below.

Academic Achievement Category: 60% of all available positions are awarded on the basis of the highest Adjusted Grade Point Average.

Educational Equity Initiative: 40% of all available positions are allocated to those eligible for inclusion in one or more of the Educational Equity Priority Groups and awarded on the basis of the highest Adjusted Grade Point Average.

The purpose of the Educational Equity initiative is to achieve equality in professional education so that no person shall be denied educational opportunities or benefits for reasons unrelated to ability. In the fulfilment of this goal, the aim is to correct the conditions of disadvantage in professional education experienced by Canadian Indigenous peoples, persons with disabilities, 2SLGBTQIA+, immigrants and refugees to Canada, and persons who are, because of their race or colour, a visible minority in Canada. Giving effect to the principle of educational equity means more than treating persons in the same way; it also requires special measures and the accommodation of difference. Details of the Educational Equity initiative are provided in the application information bulletin.

Students in the BSW program at the Fort Garry campus must successfully meet the graduation criteria set for all BSW students in the Faculty of Social Work.

The objective of the Bachelor of Social Work Northern ACCESS is to enhance the accessibility of the BSW program by preparing mature students who, without the support of the program, would be unable to successfully complete a university degree due to lack of financial resources, lack of academic qualifications and remote northern location. Special academic and personal support is provided to students admitted to the program, as well as some assistance in arranging funding resources.

Admission to the Bachelor of Social Work Northern ACCESS site is limited.

The deadline date for submitting applications is March 1.

*The Northern admission policy prefers a self-declared way for access applicants to declare the category of low income because none of the existing standard federal government poverty measuring tools can accurately capture the realities in Northern Manitoba. Measures like Low Income Measure, which is based on 50% of adjusted median income would not capture the poverty realities due to the large discrepancy between the high-earning and low-earning groups. Another popular measure LICO that is used by Inner City Social Work Program failed to

create a Northern Manitoba profile. Similarly, the Market Basket Measure data does not capture the North.

As per the University's policy, all students are required to complete, within the first 60 credit hours of their programs, a minimum of one three credit hour course with significant content in written English, and a minimum of one three credit hour course with significant content in Mathematics. Please refer to the Academic Calendar's General Academic Regulations for a complete list of all courses which satisfy the University written English and Mathematics requirement. Students at the Northern Social Work program site must successfully meet the graduation criteria set for all BSW students in the Faculty of Social Work.

Admission to the Distance Delivery Social Work Site

The Faculty of Social Work is committed to the accessibility of social work education.

The Faculty has extended the concept of accessibility to include geographical accessibility through the delivery of the BSW based on two approaches:

1. to individuals by means of an online study program and
2. to community-based groups using the cohort method.

The Distance Delivery B.S.W. site is intended to encourage individuals who are employed in the social services and living outside of Winnipeg, but who may not have had the opportunity to pursue professional social work education.

All students complete a total of 123 credit hours of university study. Full time or part-time study is offered.

Delivery methods for the online study component of the program include a combination of web conferences and online courses. Access to a computer, high-speed internet and a headset with a microphone is required.

All course examinations are scheduled and arranged by the university's Registrar's Office to take place in the student's community. Delivery of the program to the community-based cohorts utilizes face-to-face delivery with the option of a combination of face-to-face, web conferences, and online study.

Applicants to the Bachelor of Social Work Distance Delivery site must meet all three of the following requirements to be admitted into the program:

- Residency outside of the City of Winnipeg; and
- 1 year (1750 hours) of work experience, within the last 5 years, in the social services field; and
- Successful completion of 30 credit hours of university level coursework at the 1000 level or higher with minimum grades of 'C' including:
 - WOMN course 1000 level or higher (3)
 - INDG course 1000 level or higher (6)
- Social Sciences, Humanities, or Family Social Sciences course (PSYC, FMLY, SOC are recommended) (12)

Please refer to the Academic Calendar's General Academic Regulations for a complete list of all courses, which satisfy the University Written English and Mathematics requirement.

Faculty Academic Regulations

Limited Access will not affect registration for the current Academic Year, which includes Fall, Winter, and Summer terms. See University Policy and Procedures – Repeat Course Policy – Section 2.5 (a) Limited Access (<https://catalog.umanitoba.ca/undergraduate-studies/policies-procedures/repeated-course-policy/>).

The provisions of the General Academic Regulations (<https://catalog.umanitoba.ca/undergraduate-studies/general-academic-regulations/>), and the University Policies and Procedures (<https://catalog.umanitoba.ca/undergraduate-studies/policies-procedures/>), apply to all students. In addition, the Faculty of Social Work has regulations and requirements, published below, that apply specifically to its students.

All students are asked to note that some academic policies and regulations are under review and are subject to change.

Prerequisite and Co-requisite Policy

The faculty has established a set of pre-/co-requisite requirements to assist students in planning their program of study. All students must abide by the pre- and corequisite requirements for all courses. Any exceptions to the pre- and corequisite policy MUST be approved by the Committee on Academic Standings prior to course registration.

If a student successfully completes a course for which a pre/co-requisite requirement has not been satisfied, this course will not be considered applicable to their BSW program until that pre/co-requisite requirement is satisfied.

Residence Requirements for a Degree Program

The general university residence requirement applies to the Faculty of Social Work.

Scholastic Progress

Directors of off-campus sites and site-specific Academic Advisors will advise students on issues concerning scholastic progress.

1. Decisions about a student's scholastic progress or required withdrawal on academic grounds are made by the Committee on Academic Standings of the Faculty of Social Work acting on behalf of the Faculty Council. These decisions are made after a student has completed 48 to 60 credit hours of coursework as a Faculty of Social Work student. For students that transfer in 51 to 60 credit hours, decisions will be made upon the completion of the initial 15 credit hours as a Faculty of Social Work student.
2. A student's degree grade point average (DGPA) will be calculated and recorded after each academic term in which the student registers.
3. Clear academic standing is required to continue in the Faculty of Social Work. Clear academic standing is attained by meeting all of the following requirements:
 - a. A minimum grade of 2.0 (C) in all Social Work courses and a passing grade in all non-social work elective courses, as determined by the Faculty, College, or School offering the course.
 - b. A minimum Degree Grade Point Average of 2.5 (C+) at the end of each term.
4. A student who has not attained clear academic standing as defined by Section 3 above will have their academic status reviewed by the Committee on Academic Standings:
 - a. A student who passes all courses, but whose DGPA is less than 2.5 minimum may be permitted to proceed on probation for one full academic year unless the DGPA is less than 2.0. To clear probation, a student must raise their DGPA to 2.5 by the end of the probationary period. A student may not be permitted to proceed in the concentrated program if they are on probationary status.
 - b. A student who passes all courses, but whose DGPA is less than 2.0 may be required to withdraw from the Faculty of Social Work. The Committee on Academic Standings will take into consideration:
 - i. Performance in pass/fail courses;
 - ii. Use of academic and personal supports in the program; and
 - iii. Life circumstances affecting academic performance.
 - iv. Students in ACCESS sites (ICSWP and Northern BSW site) and cohorts.
 - c. A student who fails a non-social work course is subject to the regulations for supplemental privileges of the department concerned. Students should note, nonetheless, that all non-social work elective requirements must be completed.
 - d. A student who fails to meet the required standard (as per Field Evaluation Form) in Field Instruction may be allowed an extension/addendum, or may be required to repeat, or may be required to withdraw.
 - e. Students must have successfully completed SWRK 3240 Field Instruction 1 and SWRK 3220 Integrative Practice Seminar for Field Instruction, or SWRK 3250 Prior Learning Assessment and Recognition in order to proceed to SWRK 4350 Field Instruction 2 and SWRK 4240 Integrative Practice Seminar for Field Instruction 2.
 - f. No social work course where a final grade is achieved may be repeated more than once.
 - g. Unless approved by the Committee on Academic Standings or Associate Dean (Undergraduate Programs), a student shall not be permitted to repeat a required or elective course or substitute an elective course for another. Delivery sites are authorized to approve requests for permission to repeat/replace required and elective Social Work courses and non-social work electives, in cases where students are in clear academic standing and within the first 30 credit hours of the program. In making a decision, the Committee on Academic Standings will take into account the overall academic performance of the student, recommendations of the student's instructors, and any particular circumstances of the student's situation which it deems to be relevant.
 - h. A student who has two failures in the same or equivalent Social Work course shall be required to withdraw from the Faculty of Social Work.
 - i. All students must complete within the first 60 credit hours, three credit hours in written English and three credit hours in Mathematics as part of the BSW degree requirements. Students who have not completed their Mathematics or Written English Requirements within the first 60 credit hours will be placed on hold and be required to speak to their Academic Advisor.
5. Subject to the provisions of # 4 above, failure to attain clear academic standing, or to clear probationary status, are grounds upon which a student shall be required to withdraw from the Faculty of Social Work. When a student is to be considered for a requirement to withdraw subject to the provisions of # 4, the student shall be notified in writing of the date, time, and place for the Committee on Academic Standings review meeting. The student shall receive a minimum of

- ten (10) working days' notice of the meeting date. They may present oral and/or written submissions at such a meeting and may bring an advocate to speak on their behalf. The Chair of the Committee on Academic Standings shall be notified prior to the meeting if the student intends to appear before the Committee.
6. Students must complete all their social work courses and non-social work electives within nine (9) years. Requests for extensions to go beyond the nine-year limit must be submitted to the Committee on Academic Standings for their assessment and possible approval prior to the time limit expiry date. The maximum time limit for an extension is two years. The Committee shall also determine which, if any, courses previously completed shall need to be repeated or replaced. Students who are seeking reinstatement after the program time limit expiry date may be required to reapply to the Faculty of Social Work through normal application procedures.
 7. Along with provisions in # 6 above, Social Work subject courses in the BSW program are valid for 9 years counting from when the student completed the course, including courses taken prior to admission. If a Social Work course expires while the student is still in the Faculty of Social Work, they will be required to repeat the course to fulfil the BSW degree requirements.
 8. Students in clear academic standing who plan to re-register should ordinarily indicate their intention to do so by the deadline for applications for admission prior to the session in which they intend to register.
 - a. Students in clear academic standing who are inactive from the BSW Program for less than two calendar years and are within their nine-year limit may re-register by contacting their Program Site (Fort Garry, Inner City, Northern or Distance Delivery) of the Faculty of Social Work.
 - b. Students in clear academic standing seeking to continue their BSW Program after a two calendar year, or more, absence, but within their nine-year limit and who have not registered with another faculty or institute during their absence, must submit a written request to the Committee on Academic Standings for re-entry.
 - c. Students wishing to re-enter the Faculty who have exceeded their nine-year limit, or who have registered in another faculty or institute during their absence must re-apply for admission to the Faculty through normal application procedures.
 9. Students may ask the Committee on Academic Standings for reconsideration of any Standings decision, except the requirement to withdraw on academic grounds. Reconsideration requests should normally be received in writing by the Chair of the Committee of Academic Standings within ten working days of notification of a decision. Students who request a reconsideration shall be informed of the date, time and place of a reconsideration meeting. They may present oral and/or written submissions at such a meeting, and bring an advocate to speak on their behalf. All decisions of the Committee may be appealed to the Senate Committee on Appeals.
 10. Notwithstanding the above regulations, students are reminded that the Senate has granted to the Councils of each professional Faculty the right to require any student to withdraw from the program for which they are enrolled. A full statement of the conditions governing this right is found in the following section on Requirement to Withdraw Criteria and Procedures.
 11. A student who has been required to withdraw on academic grounds and who wishes to re-enter the Faculty must request reinstatement from the Committee on Academic Standings. The following will apply in such cases:
 - The applicant will be expected to demonstrate that they will now be able to meet the academic requirements of the program.
 - No application for reinstatement will be considered before a minimum period of 1 year has elapsed from the effective date of the required withdrawal to the effective date of the requested reinstatement.

 12. Students wishing to re-enter the Faculty who have registered in another faculty or institute during their absence must re-apply for admission to the Faculty through normal application procedures. A student required to withdraw as a result of proceedings under the provisions of the Professional Unsuitability By-Law, or the Student Discipline By-Law (<https://catalog.umanitoba.ca/undergraduate-studies/policies-procedures/student-discipline-bylaw/>), will not normally be reinstated to the Faculty. This policy will be in place up until the start of Fall 2028 term. **Applications must be approved by the Academic Standings Committee no later than the June 2028 meeting.**
 14. As per the co-requisite policy of the Faculty, when a student withdraws from a Field Instruction course (SWRK 3240 Field Instruction 1, SWRK 4350 Field Instruction 2) the Faculty will automatically withdraw the student from the co-requisite course (– SWRK 3220 Integrative Practice Seminar for Field Instruction, SWRK 4240 Integrative Practice Seminar for Field Instruction 2). A minimum of 48 credit hours of non-social work courses must make up the elective requirement of the BSW degree in order to graduate from the program.

Professional Unsuitability Bylaw

The Senate has approved a bylaw granting authority to the faculty to require a student to withdraw for reasons of professional unsuitability (see University Policy and Procedures- Student Discipline Bylaw (<https://catalog.umanitoba.ca/undergraduate-studies/policies-procedures/student-discipline-bylaw/>)). The bylaw is published in the BSW Student Handbook. Students are reminded of their obligation to be familiar with all regulations governing their continued progress in the program.

PROCEDURES

1. A student must consult with an instructor teaching the course to determine course content and general expectations of a challenge for credit. In this regard, the instructor shall provide the student with a course outline, and the date, time, and place for the Challenge Credit Examination. Where an examination is not the basis for any or part of the evaluation, the instructor shall provide the student in writing with the required assignment(s), due date(s) and weighting of each assignment where applicable.
2. If a student is confident in proceeding with the Challenge for Credit, the student will notify the instructor and their Academic Advisor who will complete the registration for the student. Registration deadlines and examination periods are listed in the Academic Schedule of the current University of Manitoba General Calendar. An instructor may not refuse a student Challenge for Credit. Students wishing to challenge shall be required to register and pay the specified fees no less than 45 days prior to the period of examination. The time limit may be waived for incoming students with the consent of the faculty.
3. The minimum passing grade for a challenge for credit is C (2.0), in the case of PASS/FAIL courses, a "PASS".
4. Once the examination or assessment has been administered, the result will be entered on the student's academic record as a final grade. The student may not choose whether or not the result will be recorded. A failure in a Challenge for Credit examination will be reported to the Committee of Academic Standing who shall determine appropriate action.

Information on the procedures and limitations for a challenge is available in the B.S.W. Student Handbook. The dates at which courses may be challenged are given the academic schedule of Undergraduate Calendar.

Credit for Social Work Courses Taken at Other Universities

For more information on granting credits for social work courses please refer to the B.S.W. Student Handbook for more details.
